What participants say about Ernie Quigley's Annual Forecasts:

Very enjoyable & productive as usual.” -Kathryn S., Kansas

“Good. Great! Lots of useful information.” – Ed N., Nebraska

“I like the cycle’s discussions because while the market may not show the change coming, the cycles do. It becomes a money maker.” – James F., Missouri

“I thought the cycle ‘forensics’ tables were very useful. Thanks for your time involved to develop these.” – Dee S., Nebraska

“Great weekend as every year has been! Helps to open our thoughts to the future markets for the coming year and make plans around the projections.” – James B., Minnesota

“Good information on potential direction of the markets. I like the comparison of the fundamental information along with the technical chart information.” – Curtis S., Nebraska

“Give Ernie one weekend and he will teach you a year’s worth of information!” – D.E., Illinois

“Excellent seminar once again. Ernie was very efficient and thorough covering the material. I really enjoy the information presented on the stock market.” – Andrew N., Nebraska

“...I look at the cycle turn projections and then run through my mind the different fundamental scenarios that could possibly develop to come to fruition at those cycle turn points.” – C.A., Minnesota

“The presentation was focused and well organized. Ernie’s knowledge and obvious passion for the subject rings through. The information shared open up the mind and allows us to be mentally prepared for the market.” L.N., Canada
